

Become a mentor

A young person is five times less likely to end up NEET* if they have had an interaction with someone from business.

We need volunteers in Berkshire, Buckinghamshire, Oxfordshire, Swindon and Wiltshire to work in neighbouring schools, to share their knowledge and experience of the workplace with young people.

You will be trained and fully supported by a team of experts.

* Not in employment, education or training

Being a mentor is fulfilling, encouraging, sometimes challenging, but mostly rewarding
